

## 2018 Summer Arts Camp Class Schedule by Time

**9:00-10:15**

### **Gymnastics for Beginners    Ages completed K to 9**

**Limit 8**

Gymnastic classes are designed to encourage progress while improving flexibility, strength and self-confidence. This class is designed for students new to gymnastics and still mastering basic skills such as forward & backward rolls, cartwheel, bridge, various jumping positions, handstand, etc.

*Teacher: Janice Collins, owner of the Northern Neck Athletic Center, is a Professional Member of the United States Gymnastics Federation. She has obtained the Advanced International Coach and Instructor credentials and is also a*

*National/International Level Judge along with Skill Evaluator.*

### **Mosaic Dragonfly picture & Garden Rock    Ages completed K to 9    Limit 14**

Students will learn how to safely apply tiles with glue to a wood canvas and a garden rock. They will also learn to grout their artwork when their patterns are completed.

*Teacher: Tina Crawford, self taught mosaic artist and acrylic painter. Taught art classes at Walnut Hills Baptist Church for 1 ½ years. Also taught several adult acrylic painting classes and mural painting.*

### **Puppet Making**

**Ages completed K to 9**

**Limit 10**

Campers will be creating several puppets during the week including a cloth hand puppet and a stick puppet. We will learn how puppets can be used to tell stories and will invent a story for our puppet to tell to fellow campers in the class.

*Teacher: Megan Countiss, certified art teacher in New Kent County at George W. Watkins School for 22 years.*

### **Reader's Theater for Young Readers    Ages completed K to 12    Limit 8**

Using scripts and folk tales from all over the world, campers will practice "read aloud" literature each day that develops vocal expression and interpretation while promoting reading skills in a fun way. Campers will work on their characters while using a cooperative, "team sport" approach to theatrical presentation. All campers will have parts to read and all reading levels will be utilized.

*Teacher: In addition to being an active part of Arts Alive, Tim Dice has worked as a Reading and Language Arts Tutor with York County Schools (K-5<sup>th</sup>) as well as a private tutor. He has lots of stage experience and has served as an Odyssey of the Mind Judge for 2 years. He holds a B.A. in English (Chapman University) and a Master of Divinity Degree from TCU, Ft. Worth, TX.*

### **Aborigine Art**

**Ages completed K to 9**

**Limit 15**

The Aborigine People of Australia are one of the oldest and richest civilizations in the world. Their artwork is very specific and unique. We will spend the week learning about the culture through hands-on art making activities related to Aborigine style artwork. Through activities such as X-Ray art, Dot Painting, Petroglyphs, face painting, and didgeridoos we'll gain a unique take on Aborigine Art. Paint, glue, water, beans, feathers and more will leave you looking, feeling and understanding this very old and wonderful culture.

*Teacher: Susan Musselman has been teaching art for over 40 years and cannot imagine doing anything else. She holds a Masters Degree from VCU and currently is the Visual and Performing Arts Department Chair at New Kent High School.*

**Beginner Piano Keyboarding      Ages completed K to 9      Limit 10**

Campers will learn the basics of playing a keyboard with fingering techniques, scales, reading music and performing simple songs. Campers should have little or no prior experience on a keyboard or piano for this class.

*Teacher: Kristi Reynolds has a Master of Music in Piano Performance from Hardin-Simmons University. Besides freelance teaching and accompanying, she teaches music at Aylett Country Day School, is the organist/choirmaster at St. Paul's Miller's Tavern, and is an adjunct instructor of music at VCU.*

**Jazz      Ages completed K to 9      Limit 15**

Jazz dance is a uniquely American art form. A variety of styles will be taught from primitive to the classic jazz style. This class concentrates on proper technique, placement, strength, and style as well as increasing flexibility and muscle tone. Students will dance to fun, upbeat, pop music.

*Teacher: Nadina Wright works for Power House Dance and is in college pursuing her degree and love for dance. Nadina teaches students of all ages and levels while attending college as well as summer sessions and classes at Power House Dance.*

**Straw Art      Ages 10 to 14      Limit 12**

Popotillo Art is an amazing pre-hispanic technique of art used to adorn temples, houses, and schools among others. Started in Mexico City, Mexico, this art consists of putting beeswax on a surface and then placing dyed painted straws on a pattern to create an image. *Teacher: Cesar Carbajal, the third generation of his family to practice popotillo, has been doing this art for almost his entire life. He has participated in exhibitions and has been teaching this art in museums and schools.*

**A Wrinkle in Time      Ages 10 to 14      Limit 15**

Come sing, dance and perform in this fantasy adventure drama class, "A Wrinkle in Time". Students will learn stage and vocal skills developing self-confidence and creativity through voice exercises and theatre games. This class will also focus on movement, improvisation and will transform and create the iconic make-up of their favorite character from the movie. *Teacher: Linda A. Coffield, dance teacher for 33 years, Artistic Director/owner of Linda's School of Dance in West Point, New Kent, Lancaster, and Middlesex counties.*

**Hand sewing and Embroidery      Ages 10 to 14      Limit 12**

Hand stitching is a valuable skill for anyone and a growingly popular skill for artists to have. In this class students will create a decorative embroidered piece and a stuffed 3D sculpture. We will discuss pattern making and various stitches. In our technologically advanced world, we crave texture! Come be a fiber artist! *Teacher: Virginia Craig is a licensed art teacher who is currently a substitute teacher and a working artist. She is a graduate of James Madison University and a lover of nature, children, and all things adorable.*

### **Rain Sticks**

**Ages 10 to 14**

**Limit 15**

Is it raining? Campers will think so after they make his/her own rain stick. Using a long tube, craft sticks, rice, and beans students will be able to recreate the sound of falling rain. Once constructed, the sticks will be painted and a long string of colorful feathers and beads will be added. *Teacher: Tina Oberg is an art teacher at Cool Spring Primary in King William County. She holds a fine arts degree from VCU and has 22 years of teaching experience.*

### **Collage Making**

**Ages 10 to 14**

**Limit 12**

Explore the various types of collage making techniques. Whether you are using bits of paper, painting, or layering types of fabric, this week is sure to be an adventure in color.

*Teacher: Nicole Phillips is a teacher at Acquinton Elementary School. She has been teaching for King William County Schools for 17 years and has a love for art.*

### **Ukulele for Beginners**

**Ages 7 to 14**

**Limit 10**

Learn basic chords and strums and sing along to your favorite songs. Ukulele provided or bring your own.

*Teacher: Iris Redmond, licensed in Virginia to teach music K through 12<sup>th</sup> grade, music teacher at West Point Elementary School for 12 years.*

**10:30-11:45**

**Princess Ballet**

**Ages completed K to 9**

**Limit 15**

Learn the art of ballet while dancing to your favorite Disney songs. Become fairies and princesses in this fun class. A big imagination is encouraged!

*Teacher: Linda A. Coffield, dance teacher for 33 years, Artistic Director/owner of Linda's School of Dance in West Point, New Kent, Lancaster, and Middlesex counties.*

**Mosaic Dragonfly picture & Garden Rock** **Ages completed K to 9** **Limit 14**

Students will learn how to safely apply tiles with glue to a wood canvas and a garden rock. They will also learn to grout their artwork when their patterns are completed.

*Teacher: Tina Crawford, self taught mosaic artist and acrylic painter. Taught art classes at Walnut Hills Baptist Church for 1 ½ years. Also taught several adult acrylic painting classes and mural painting.*

**Exploring World Famous Art**

**Ages completed K to 9**

**Limit 15**

Campers will learn about a featured artist each day and will create a piece of art inspired by the work of that artist. We will be exploring painting, sculpture, collage, and drawing. Let's learn from the masters!

*Teacher: Megan Countiss, certified art teacher in New Kent County at George W. Watkins School for 22 years.*

**Reader's Theater for Young Readers** **Ages completed K to 12** **Limit 8**

Using scripts and folk tales from all over the world, campers will practice "read aloud" literature each day that develops vocal expression and interpretation while promoting reading skills in a fun way. Campers will work on their characters while using a cooperative, "team sport" approach to theatrical presentation. All campers will have parts to read and all reading levels will be utilized.

*Teacher: In addition to being an active part of Arts Alive, Tim Dice has worked as a Reading and Language Arts Tutor with York County Schools (K-5<sup>th</sup>) as well as a private tutor. He has lots of stage experience and has served as an Odyssey of the Mind Judge for 2 years. He holds a B.A. in English (Chapman University) and a Master of Divinity Degree from TCU, Ft. Worth, TX.*

**Painting with Innovative Tools** **Ages completed K to 9**

**Limit 12**

Painting is the ultimate expression. This will be the class for students to explore the world of color and mark making. By taking away the restriction of conventional tools, students can let loose and really experiment as the true artists that they are. We will collect various items from home and outside to use as our tools and, in some cases, as canvases. We will also discuss color theory and types of paintings as a launching pad for producing expressive works of art (that aren't muddy messes without intention).

*Teacher: Virginia Craig is a licensed art teacher who is currently a substitute teacher and a working artist. She is a graduate of James Madison University and a lover of nature, children, and all things adorable.*

### **The Great Fish**

**Ages Completed K to 9**

**Limit 15**

Folk Art has been around for many, many years. In this class, create a spunky hanging folk art style fish using non-buggy paper mache. This colorful fish is not real, it will not even look real but, it will be beautiful! Glue, water, bright paint and a sealant to protect your masterpiece come together to make a great project. Warning, this one gets a little messy, but we have smock t-shirts.

*Teacher: Susan Musselman has been teaching art for over 40 years and cannot imagine doing anything else. She holds a Masters Degree from VCU and currently is the Visual and Performing Arts Department Chair at New Kent High School.*

### **Drumming**

**Ages completed K to age 9**

**Limit 10**

This class will incorporate drums and percussion instruments. Campers will play musical games, learn rhythm patterns, and songs for performance.

*Teacher: Iris Redmond, licensed in Virginia to teach music K through 12<sup>th</sup> grade, music teacher at West Point Elementary School for 12 years.*

### **Hip Hop**

**Ages completed K to 9**

**Limit 15**

This class is great for the student who just wants to come and get funky as well as the serious dancer looking to improve their hip hop skills. Even beginners will have a blast in this high energy dance class which introduces basic hip hop and the latest trends. *Teacher: Nadina Wright works for Power House Dance and is in college pursuing her degree and love for dance. Nadina teaches students of all ages and levels while attending college as well as summer sessions and classes at Power House Dance.*

### **Straw Art**

**Ages 10 to 14**

**Limit 12**

Popotillo Art is an amazing pre-hispanic technique of art used to adorn temples, houses, and schools among others. Started in Mexico City, Mexico, this art consists of putting beeswax on a surface and then placing dyed painted straws on a pattern to create an image. *Teacher: Cesar Carbajal, the third generation of his family to practice popotillo, has been doing this art for almost his entire life. He has participated in exhibitions and has been teaching this art in museums and schools.*

### **Intermediate Gymnastics**

**Ages 8 to 14**

**Limit 10**

This class is more challenging for those who have mastered basic skills and are ready for more advanced skills such as power hurdles, round-off, bridge kick-over, limbers, handsprings, walkovers, etc.

*Teacher: Janice Collins, owner of the Northern Neck Athletic Center, is a Professional Member of the United States Gymnastics Federation. She has obtained the Advanced International Coach and Instructor credentials and is also a*

*National/International Level Judge along with Skill Evaluator.*

### Canvas Paintings

**Ages 10 to 14**

**Limit 15**

If you love to paint, this class is for you! Campers will create a variety of paintings on canvas. Embellishments like glitter paint and puff paint will be added.

*Teacher: Tina Oberg is an art teacher at Cool Spring Primary in King William County. She holds a fine arts degree from VCU and has 22 years of teaching experience.*

### Tie-Dye

**Ages 10 to 14**

**Limit 10**

Explore color and style while learning new tie dye techniques. Bring your own white or light colored fabric/clothing. We can work with bandanas, pillow cases, white socks and t-shirts. *Teacher: Nicole Phillips is a teacher at Acquinton Elementary School. She has been teaching for King William County Schools for 17 years and has a love for art.*

### Beginner Guitar

**Ages 8 to 14**

**Limit 8**

Campers will learn the beginning basics to acoustic guitar playing. Basic group instruction will include posture, tuning, strumming patterns, and chord and melodic playing. Bring your own guitar if you have one; some smaller guitars will be available for younger students.

*Teacher: Kristi Reynolds has a Master of Music in Piano Performance from Hardin-Simmons University. Besides freelance teaching and accompanying, she teaches music at Aylett Country Day School, is the organist/choirmaster at St. Paul's Miller's Tavern, and is an adjunct instructor of music at VCU.*

**12:30-1:45**

**A Wrinkle in Time**

**Ages completed K to 9**

**Limit 15**

This is for the younger campers. Come sing, dance and perform in this fantasy adventure drama class, "A Wrinkle in Time". Students will learn stage and vocal skills developing self-confidence and creativity through voice exercises and theatre games. This class will also focus on movement, improvisation and will transform and create the iconic make-up of their favorite character from the movie. *Teacher: Linda A. Coffield, dance teacher for 33 years, Artistic Director/owner of Linda's School of Dance in West Point, New Kent, Lancaster, and Middlesex counties.*

*and Middlesex counties.*

**Paper Mache Creatures**

**Ages completed K to 9**

**Limit 15**

Come and use your imagination to create a fantastic creature. You can build it with just newspaper, tape, and paste. We will look at sculptures from Oaxaca, Mexico for inspiration, but your creation will be a one-of-a-kind work of art. *Teacher: Megan Countiss, certified art teacher in New Kent County at George W. Watkins School for 22 years.*

**Weaving & Other Exciting Things with Yarn**

**Ages completed K to 9 Limit 12**

Explore the world of fiber art through yarn! Students will weave and knot all that their hands can handle in order to create beautiful and inspired wall art. Weaving is one of the oldest art forms in the world and it is very popular among contemporary artists! Students in this class will have the hippest walls in town.

*Teacher: Virginia Craig is a licensed art teacher who is currently a substitute teacher and a working artist. She is a graduate of James Madison University and a lover of nature, children, and all things adorable.*

**Mask Making**

**Ages completed K to 9**

**Limit 15**

Throughout time, virtually every culture has created masks. All shapes, styles, colors and materials. Choosing from a variety of stories and poems for inspiration, we will spend the week making a few smaller samples all while working on one larger creation. Choose a theme, select materials and create your way to an inspired work.

*Teacher: Susan Musselman has been teaching art for over 40 years and cannot imagine doing anything else. She holds a Masters Degree from VCU and currently is the Visual and Performing Arts Department Chair at New Kent High School.*

**Hip Hop**

**Ages completed K to 9**

**Limit 15**

This class is great for the student who just wants to come and get funky as well as the serious dancer looking to improve their hip hop skills. Even beginners will have a blast in this high energy dance class which introduces basic hip hop and the latest trends. *Teacher: Nadina Wright works for Power House Dance and is in college pursuing her degree and love for dance. Nadina teaches students of all ages and levels while attending college as well as summer sessions and classes at Power House Dance.*

**Advance Beginner Gymnastics                      Ages 8 to 14                      Limit 8**

This class is designed for students who have mastered basic skills such as forward & backward rolls, cartwheel, bridge, various jumping positions, handstand, etc. and are ready to go to the next level.

*Teacher: Janice Collins, owner of the Northern Neck Athletic Center, is a Professional Member of the United States Gymnastics Federation. She has obtained the Advanced International Coach and Instructor credentials and is also a National/International*

*Level Judge along with Skill Evaluator.*

**Architectural Letters                      Ages 10 to 14                      Limit 15**

It's back! Campers will design and construct a 3-D letter using one of his/her initials. Instead of wet, messy adhesive, this process uses paper packing tape to create a paper mâché quality. The surface will be decorated with colorful paint.

*Teacher: Tina Oberg is an art teacher at Cool Spring Primary in King William County. She holds a fine arts degree from VCU and has 22 years of teaching experience.*

**Tie-Dye                      Ages 10 to 14                      Limit 10**

Explore color and style while learning new tie dye techniques. Bring your own white or light colored fabric/clothing. We can work with bandanas, pillow cases, white socks and t-shirts.

*Teacher: Nicole Phillips is a teacher at Acquinton Elementary School. She has been teaching for King William County Schools for 17 years and has a love for art.*

**Drumming                      Ages 8 to 14                      Limit 10**

This class will incorporate drums and percussion instruments. Campers will play musical games, learn rhythm patterns, and songs for performance.

*Teacher: Iris Redmond, licensed in Virginia to teach music K through 12<sup>th</sup> grade, music teacher at West Point Elementary School for 12 years.*

**Beginner Guitar                      Ages 8 to 14                      Limit 8**

Campers will learn the beginning basics to acoustic guitar playing. Basic group instruction will include posture, tuning, strumming patterns, and chord and melodic playing. Bring your own guitar if you have one; some smaller guitars will be available for younger students.

*Teacher: Kristi Reynolds has a Master of Music in Piano Performance from Hardin-Simmons University. Besides freelance teaching and accompanying, she teaches music at Aylett Country Day School, is the organist/choirmaster at St. Paul's Miller's Tavern, and is an adjunct instructor of music at VCU.*

2:00-3:15

**Gymnastics for Beginners**      **Ages completed K to 9**      **Limit 8**

Gymnastic classes are designed to encourage progress while improving flexibility, strength and self-confidence. This class is designed for students new to gymnastics and still mastering basic skills such as forward & backward rolls, cartwheel, bridge, various jumping positions, handstand, etc.

*Teacher: Janice Collins, owner of the Northern Neck Athletic Center, is a Professional Member of the United States Gymnastics Federation. She has obtained the Advanced International Coach and Instructor credentials and is also a National/International Level Judge along with Skill Evaluator.*

**Drawing from Observation**      **Ages completed K to 9**      **Limit 12**

Discover what you can do when you simply look. Kids are the best observers of the world and the best drawers, when told that they can draw. Students will produce beautiful works of art and have a blast discovering their capabilities.

Students will make many sketches and choose one topic to illustrate by the end of the week. Through encouragement and a family-like atmosphere, we'll have a wonderful time! *Teacher: Virginia Craig is a licensed art teacher who is currently a substitute teacher and a working artist. She is a graduate of James Madison University and a lover of nature, children, and all things adorable.*

**Wind Art: Koi & Windsocks**      **Ages completed K to 9**      **Limit 15**

Take a twist on kites and things that fly by making streamer toys popular in Japan and a large Japanese Flying Koi Fish from simple materials that are readily available. We will study a little Japanese culture, little history of kites and create beautiful wind art! Paint, sparkly stuff, glue, sticks and a little creativity will round out the projects.

*Teacher: Susan Musselman has been teaching art for over 40 years and cannot imagine doing anything else. She holds a Masters Degree from VCU and currently is the Visual and Performing Arts Department Chair at New Kent High School.*

**Beginner Piano Keyboarding**      **Ages completed K to 9**      **Limit 10**

Campers will learn the basics of playing a keyboard with fingering techniques, scales, reading music and performing simple songs. Campers should have little or no prior experience on a keyboard or piano for this class.

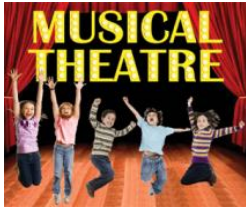

*Teacher: Kristi Reynolds has a Master of Music in Piano Performance from Hardin-Simmons University. Besides freelance teaching and accompanying, she teaches music at Aylett Country Day School, is the organist/choirmaster at St. Paul's Miller's Tavern, and is an adjunct instructor of music at VCU.*

**Jazz Dance**      **Ages completed K to 9**      **Limit 15**

Jazz dance is a uniquely American art form. A variety of styles will be taught from primitive to the classic jazz style. This class concentrates on proper technique, placement, strength, and style as well as increasing flexibility and muscle tone. Students will dance to fun, upbeat, pop music.

*Teacher: Nadina Wright works for Power House Dance and is in college pursuing her degree and love for dance. Nadina teaches students of all ages and levels while attending college as well as summer sessions and classes at Power House Dance.*

### Musical Theatre

**Ages 10 to 14**

**Limit 15**

This class will learn acting, singing and dancing skills to the "Jesus Christ Superstar" music and show.

*Teacher: Linda A. Coffield, dance teacher for 33 years, Artistic Director/owner of Linda's School of Dance in West Point, New Kent, Lancaster, and Middlesex counties.*

### What's Your Name?

**Ages 10 to 14**

**Limit 12**

We will be using your name for inspiration for art this week. We will create a mixed-media piece of art using the first letter of your name and a three-dimensional piece of art featuring your last name.

*Teacher: Megan Countiss, certified art teacher in New Kent County at George W. Watkins School for 22 years.*

### Koinobori (fabric) Windsocks

**Ages 10 to 14**

**Limit 15**

Campers will design a carp-shaped windsock known as a "Koinobori" using colorful, outdoor-safe fabric. A "scale" shaped printing block will be carved and applied, using ink, in order to create a repetitive scale design on the body. Details like eyes, fins, and a tail will be enhanced using puff, and glitter paint.

*Teacher: Tina Oberg is an art teacher at Cool Spring Primary in King William County. She holds a fine arts degree from VCU and has 22 years of teaching experience.*

### Collage Making

**Ages 10 to 14**

**Limit 12**

Explore the various types of collage making techniques. Whether you are using bits of paper, painting, or layering types of fabric, this week is sure to be an adventure in color.

*Teacher: Nicole Phillips is a teacher at Acquinton Elementary School. She has been teaching for King William County Schools for 17 years and has a love for art.*

### Intermediate Ukulele

**Ages 10 to 14**

**Limit 10**

Take your ukulele playing to the next level. We'll learn fun strums, more complex chords, how to read tabs, and even do a little finger picking. Prior knowledge of reading chord charts and basic chord shapes is required. Instructor approval needed for younger ages. Ukulele provided or bring your own.

*Teacher: Iris Redmond, licensed in Virginia to teach music K through 12<sup>th</sup> grade, music teacher at West Point Elementary School for 12 years.*
