

ARTS ALIVE, INC.

Andy Conklin Visual Arts Scholarship

Application Information

The Andy Conklin Visual Arts Scholarship Program was established to help graduating high school seniors from the Arts Alive service areas of the Town of West Point, and the counties of King William, New Kent, and King and Queen who wish to pursue a career that is related to the visual arts. Careers include, but not limited to, studio art, theater costume design, stage/set design, art history, graphic design, illustration, photography, printmaking, interior design, fashion design, and/or web design.

Arts Alive, Inc's is an organization whose mission is to promote and stimulate an awareness and love of the Arts. Arts Alive has established this scholarship to honor this mission and the memory of Andy Conklin. While mayor of West Point, Andy Conklin was instrumental in founding Arts Alive to help bring arts programming to the community. He not only was one of the original founders of Arts Alive, but remained a director of Arts Alive. Andy was the president of the organization at the time of his death in 2011. Andy loved and enjoyed the arts and was part of every Arts Alive activity. He enjoyed helping to select our performances with the Presenters Committee, working at the Summer Arts Camp and Missoula Drama Camps, assisting with every performance and all fundraising activities, supporting the Visual Arts Committee, and leading our meetings. The Arts Alive Board of Directors voted to make our visual arts scholarship the Andy Conklin Visual Arts Scholarship in honor of Andy Conklin's dedication and love of the arts, and to help others carry on his legacy.
